

CANADIAN THEATRE FESTIVALS

AUGUST 22 - 29, 2019

Once again we are offering an Excursion to **ONTARIO, CANADA**, and its spectacular summer theatre festivals. With the plays of **WILLIAM SHAKESPEARE** as its foundation, the **STRATFORD FESTIVAL** aims to set the standard for classical and contemporary theatre in North America. The **SHAW FESTIVAL** in **NIAGARA-ON-THE-LAKE** began in 1962 as a venue for plays by **GEORGE BERNARD SHAW** and his contemporaries and has expanded to include plays written during Shaw's lifetime (1856-1950). We have included six plays as well as optional selections at both festivals. You can check each festival's website listed below to determine if you would like to make changes or additions according to your interests. There will be time to enjoy the galleries, gardens, boutiques and restaurants that enhance these two charming towns. We will enjoy the splendid **NEW YORK** countryside with stops in **BUFFALO** and **CORNING** as well as an overnight stay in **NIAGARA FALLS**.
